

Our Mission

Ronald McDonald House of the Greater Hudson Valley (RMHGHV) keeps families with children facing medical challenges **together** and close to the **care** and **resources** they need.

How We Achieve It

Our 12-bedroom House provides a safe and comfortable **home-away-from-home** for families just steps from their hospitalized child.

We **achieve our mission** through the quality, experience, and dedication of our staff and volunteers, as well as **support from our community and local businesses.**

Day of Service Program

Our **Day of Service** program is designed to give families home-cooked **meals and more** through the **pairing** of generous **community organizations** and a **trained chef.**

Volunteers from the community will sign up to **spend the day** at the House working alongside the experienced **RMHGHV team** and **volunteer chefs** to **create hope, help, comfort, and delicious meals** for RMHGHV guest families.

Only available on **Wednesdays.**
